1

The Roe v. wade case is a Major conspiracy with the Supreme court, Policy makers, Companies who pay workers minimum wage, and Prison

builders, for economic gain and slave labor, noone can Afford Abortions. I'm on this planet now because of Roe v. wade, I rather be on the Planet of the Apes or a galexy in the Horizon wireless.
People think I write lawsuits in prison but I Made a Time Machine and can zig zag around the world. I drank Ice T last night with Ice T. The night before I was dog fighting with Michael Vick on 7-7-7, a lucky day because I won the super Lotto Jackpot 350,000,000.00, but the west virginia Millionare with the cowboy hat lost it in a strip club when Jane Roe was dancing for him on 6-6-06.

2

Michael Vick is a thief, I'm suing him in state court, Allegany county, cumberland, maryland case # 01-C-07-028965 OC for betting on sports and betting with Dallas owner Mark cuban

3

7-21-07. Mark cuban had a Affair with Jane Roe in my cell at FCI williamsburg with Shawn Bradley the Mormon and Mitt Romney

4

Henry wade is related to Dwane wade from Miami. Jane Roe likes black guys, I've suffered brain frying from this supreme court case. TAKE us back to the 1960's - the Year of Love, Peace, and volkswagens on leaded gas. I was born 12/27/1976, I was a model at Main line Models in King of prussia pennsylvania.

5

When I was born I was named after JR from Dallas Jonathan Riches. Thats why I know defendant's are coming to FCI williamsburg to shoot me on 9/9/09.

6

1993 - the Branch Davidians in WACO was hiding the Real Jane Roe, as the Government was secretly after her so she could not testfy at Capital hill with Anita Jones against Clarence thomas May 10, 1993

7

Oct 10, 2007 - Dallas Cowboys and cleveland Indians are charging the gates of FCI williamsburg to force me to have a abortion. I'm 8 months pregnant, the first male to give birth. My cellmate got me pregnant. on Feb 16, 2007 as a valentines day gift.

TRO Temporary Restraining order

Plaintiff moves to stop abortions as its giving me nerve damage. The United States is a Democracy and my vote should count, I also intend to Run for President of the United States in 2008 as a Prison Roots organization, Plaintiff moves for the shut down of Abortion clinics. Plaintiff moves this court to demand FCI Williamsburg to give me mental health treatment. Plaintiff moves for a restraining order Against the Texas chainsaw massacre that Jane Roe hired a contract with Jerry Jones Money to cut me into pieces and drown my brain in the trinity River. I feel unsafe, I have no higened or showered in 5 years. Defendant's are keeping me 500 miles away from my family. No parole. This is a major Gulag that Defendant's are financing through fraud. Plaintiff prays for relief.

Respectfully Submitted
